Pick up time:

. Parents arrive at least 3 minutes before the close of class each week to pick up your child. We must end class exactly on time as we have to get ready for the next session that day

Prior to class:

- With Fall classes being only an hour each week, parents please have your children use the bathroom at home before leaving for class. This will eliminate excessive bathroom breaks, and keep all students in class focused.
- Suggest also, to eat a healthy snack before leaving for class to keep energy level up!

What to bring:

- **Labeled Water Bottles** are a MUST

Fall Attire/Necessities

Prepare for your kids to be outside before coming each week, here are items they will need for outside and inside:

Outside:

- Bring Layers of clothes. (Breathable non-tight layers will be recommended so they can swing.)
- Under Armour
- Long pants
- Water Proof shoes. Wet and muddy conditions are very possible!
- Winter Hat to cover ears are highly recommended! Kids can wear those under or instead of their golf hat. Have it in the golf bag for precaution.
- Hand warmers can come in handy
- Have sunblock on face and neck applied before class begins

Inside Golf Dome:

- Masks are optional until further notice

Bring layers (the dome can be chilly or warm depending on the day.)

With the fluidity of **Covid** guidelines and policies in constant flux, when we are aware of any changes we will update and notify all parents of the protocol.
